DESIGN EXPERIENCE

Used design principles to create effective concepts for branding/corporate identity, editorial spreads, advertisements, packages, catalogues, brochures, and web projects.

Produced both print and web ready files.

Knowledge of design concepts including page layout, colour, typography and print.

Generated 2D and 3D rendering using Illustrator and Photoshop.

Basic training in photography and established basic skills for the use of design.

Able to manage and complete multiple projects to meet required deadlines.

Work well with others and have collaborated with a team to create promotional material.

NON-PROFIT WORK EXPERIENCE

Friends of Honduran Children | 2011-2012

Peterborough, ON

Designed advertisement for Valentines Concert

Redesigned spring newsletter
